BIORHYTHM CHARACTER ANALYSIS AND COMPATIBILITY is used in this newsletter. The news media says what happened, THE TRUTH tells why. Each day has its own set of biorhythm numbers. They tell our true character just as astrology does. This is much easier. To do a chart that shows the ups, downs & critical days, another set of numbers would need to be added to the personal numbers. The personal numbers tell what we are like in our hearts.

KONSTANTIN CHERNENKO

Top seer, author, astrologer, Andy Reiss predicted in the Dec. '83 issue of PSI Review "Soviet Premier Yuri Andropov will not live out his term in office. He will expire between now (Dec. '83) & June 1984. Chernenko will succeed him in office."

Andropov did indeed die & Chernenko took his place in Feb. '84.

The new Russian Leader was born 9-24-11.

Confidence 18 (57%)	} Personal Biorhythm Numbers
Emotional 23 (64%)	
Mental 27 (64%)	

He has the same amount of confidence as President Ronald Reagan. It is medium-high (57%). This would mean there could be a stand-off between these 2 men. There was a cold war for years when Eisenhower was President & Khrushchev the Russian Leader. They both had a 30% confidence. It was a stand-off because they both were afraid to take the initiative to drop that macho game playing. Both were afraid they would be called cowards if they did. A confident man is not afraid to talk things over & get them settled but a low confidence man is afraid people will be able to see he does not feel all that secure so they will have others do dangerous things in their name (war) to prove the leader is a 'real man'. If they had to do the fighting themselves we could do away with most of these wars.

Chernenko is one who would normally care about people & things (#23 emotional). He & President Reagan would like one another. Reagan is a natural parent & Chernenko is a natural adult. Reagan needs to treat Chernenko with respect. Chernenko would object to being treated like a child & being told what to do.

These men are 94% mentally alike. They will hear one another very clearly. They both have to have

people listen to them. They might not be very interested in what others are saying. They both are natural teacher, lecturer types.

Reagan & Chernenko are overall 84% alike. They could work well together.

Maria is a natural child type who will do anything to get attention (#19 emotional). Her mother died shortly after Maria was born & her father died when she was 6. The court appointed a guardian that was a socialist & violently anti-catholic. Maria must have wanted to get revenge on her guardian because she entered a convent when she got older. In this convent she was considered a

black sheep. She had tomboy ways. The low physical people tend to be that way (4%). She was willful and independent. Her 3% mental shows she was sure she was right ALL the time. The mental percentage is her logic, not her intelligence. She was extremely stubborn. No one could tell her what to do. They could tell her but she would give them a rough time if they expected her to do it. She did not want to be controlled by anyone, & she had to be noticed.

Maria has all low percentages with her emotional in the natural child range. This makes her a conperson. She can talk people into & out of things for her benefit. Natural child types love to have people spend on them. She could have lived a very simple life but she would enjoy luxury while she could.

The convent sent Maria to take care of Baron Von Trapps 7 children. Maria would have gotten on well with children because she was one herself. Instead of going back to the convent Maria married the Baron.

Maria might have thought she wanted to be a nun. She is not a sexy person (4% physical). But, when the Baron offered to make her his wife she would have grabbed at this. He had found himself a built-in baby sitter & she a father-husband.

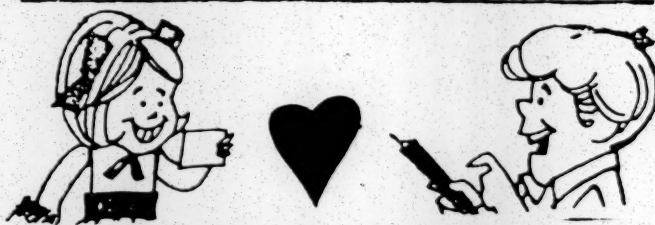

During the 30s the Baron lost his fortune. In March 1938 Austria, where they lived was taken over by the Nazis. They decided to emigrate & got permission to cross the mountains. That trek across the mountains would have been OK with Maria because the outdoors gives her energy.

Maria had 3 children by the Baron. After his & their children grew up it became difficult to keep the "Trapp Family Singers" together. Maria took to writing & lecturing. She is a born actress & needs to get attention. They dropped the Von from their name for awhile. Von is German nobility. People kept calling them the Von Trapp Singers so Maria decided to take the Von back.

CANDID CAMERA Allen Funt born 9-16-11 confidence 11 (4%) { Personal
Emotional 27 (93%) { Biorhythm
Mental 28 (70%) { Numbers

Allen Funt made "aggravation a fine art" on the Candid Camera TV program. Funt enjoys being aggressive (70% mental). This combined with a lack of confidence (4%) makes him a natural bully.

He is very much like the comedian Don Rickles. They love making people squirm. They like being in control because they might not have gotten it as a child & will get back at people as adults. This lets them bully & get paid for it.

Funt's ex-wife Marilyn is 23 years younger than Allen. Because Allen lacks confidence he will feel more comfortable with younger people. They are not so threatening to him & will not be so likely to challenge his authority. Allen has a typical policeman type personality. Marilyn said he was "controlling & domineering." She did not have her own identity while married to him. Allen would control women in his life.

Marilyn is doing all kinds of things with her life now. She feels reborn. Women might marry a man like this because she is taught she is inferior & therefore deserves someone who will treat her like she is. Women should not permit themselves to be their husbands shadows.

It is said "Over the years (Funt) mellowed & adopted 'Smile, you're on Candid Camera'".

BE CIVILIZED

You might want to stay married for some reason & maybe you are not emotionally compatible with your spouse. The biorhythm compatibility can let you know if you are or are not. We all have to have love to survive so why not be civilized. Get yourself one who really makes you laugh to get involved with. Be discreet & do not embarrass your family. Many times husbands feel it is alright for them to do this but not their wives. This has to be for both of you to keep you healthy & happy.

Sex is not love but most feel they have to give sex to get love.

In the 60s & 70s we heard a lot

about 'open marriages'. The compatibilities of ones I did who were involved in this type of marriage were not in love with one another even tho they professed they were. If you love someone, chances are you would not feel like having affairs with others. In an open marriage the two people have a chance to find someone they can love. If they found Ms/Mr Right chances are their reasons for holding the family together would disappear.

You can order your own indepth biorhythm character analysis and compatibility. See order form, this page.

Are you mentally hanging onto a PAST RELATIONSHIP? Maybe it is one of those "If I had only married him/her..." things.

Free yourself by getting a biorhythm compatibility. It will tell you like it would have been. Was it a lost opportunity or were you lucky you did not marry?

See this page for the order form.

JERRY LEE LEWIS Born 9-29-35

Confidence	10 (13%)	{	Personal
Emotional	16 (14%)		Biorhythm
Mental	1 (94%)		Numbers

Singer-piano player Jerry Lee Lewis is called "The Killer" by his fans.

Lewis has had a lot of tragedy in his life. In 1962 his 3 year old son drowned. In 1981 his 4th wife drowned. On 8-25-83 his 25 year old, 5th wife, Shawen died of an overdose of prescription sleeping pills, 2½ months after their wedding. She told him she took them & Lewis said he monitored her breathing a number of times during the night to make sure she was alright.

Lewis has never been officially questioned about his wife's death, even tho she had been in a physical fight with her husband before she died. The nails on her right hand

were broken. He said he hit his hand into something when he found her dead. Some of his blood was on her body. Shawen's sister said he threatened to kill her if she tried to leave him. She was going to leave.

Lewis has a history of violent behavior toward women even tho he denies this. Shawen's sister was visiting them when Lewis backhanded Shawen. A number of people told how he treats women. His former body guard says he is lying.

Lewis is a natural child (#16 emotional). He cares mainly for himself & his wants. He will solve problems the way a child would. An ex-wife had said "given another 20 or 30 years he just might grow up." He never will because he will always be a child.

Lewis lacks confidence (13%) but tries to cover it up by acting macho & bullying. A man who beats women is a coward.

When Lewis was 22 years old he married his 13 year old second cousin. People who lack confidence feel more comfortable around those who are much younger than themselves.

Lewis is a male chauvinist (94% mental). He would blame women for his problems. He is the type of man who would use force with women to show he is a 'real man.' He is a bully & would pick on those who are weaker than himself. He would even force sex but he is not a sexy man (13%). He takes drugs so might not have much or any interest in sex.

The TV program 20/20 aired a story on Lewis (2-2-84). They feel Lewis has not been questioned because they do not have any murders in that area & they do not feel comfortable questioning a celebrity.

Being a natural child type, he is a

A natural parent type is likely to be against ABORTION. They do not try to stop wars because they have been told wars are protecting the HOMELAND. Have the babies come into this world so 18 years later there will be enough young men to be killed in the never ceasing wars. We have so many wars because the leaders are macho cowards.

If women got TRAINING IN SELF DEFENSE there would be less staying in brutal marriages or relationships. The men would think twice before they cuffed them around.

RAISING FUNDS FOR THE MARINES

Robert Conrad is raising funds for the children of the marines who were killed in Lebanon. The money will go into a scholarship for the education of their children. Conrad born 3-1-35

Confidence	15 (30%)	{ Personal Biorhythm Numbers
Emotional	4 (71%)	
Mental	15 (9%)	

Conrad is a natural parent type (#4 emotional) & would therefore be concerned about children. He is also religious & religion is a natural element for the parent type.

Conrad lacks confidence (30%). He attaches himself to macho things (Marines) to prove he is a real man. He is a braggart but does that to cover up.

Men are taught they have to be sexy to be real men & he does not feel sexy enough so he does obnoxious things like pinching, patting & slapping females butts in public until they have to get a man to make him stop. He does not realize this, but confident, sexy men do not have to flaunt their sexuality in public. Only the non-sexy ones do that. What he does is like putting up a sign saying "Look at me, I am not sexy & I lack confidence. I am a real coward so I pick on women because they can not fight back."

You can order your own biorhythm character analysis. See order form, page 3.

Some stay in an UNHAPPY RELATIONSHIP to avoid the pain of getting out.

SADISTIC/TEASING

To be sadistic is just a step away from teasing. When a person has built-in anger they can become sadistic. I find those who are in the #7 thru 13 (14) emotional range tend to be natural teasers.

Here is an ordinary woman 10-19-23	{ Personal Biorhythm Numbers
Confidence 3 (74%)	
Emotional 11 (21%)	
Mental 8 (51%)	

This woman liked to slap little kids on the behind (#11 emotional). Naturally they did not like that. When they complained she would say "They love it." One little child complained to her mother but the mother did nothing. She did not want to cause problems with the friend. All the mother needed to do was say "I would rather you did not do that. The child does not like it." Now we realize things like this are child abuse. This woman did this to the child every time she went over to this home. To her it was fun & torture to the child. The child had no where to run & no protection from her mother.

This woman said everything 3 times. She needed to be heard (51% mental).

We have other people in her emotional range who went beyond the teasing into torture. Adolf Hitler (#10 emotional). Hillside Stranglers Angelo Bionio (#11 emotional) & his cousin Kenneth Bianchi (#11 emotional).

What is fun to these people might not be fun to those on the receiving end.

The emotional range opposite this one (#21 thru 27) tend to feel teasing is cruel.

"I am still studying the effects of my relationships through the use of the biorhythms, and am beginning to believe I am privy to knowledge too few people have. I am also beginning to believe we would all save ourselves a lot of grief if your course(s) were taught in public schools."

E. R. Framingham, Mass.

You can order your own biorhythm character analysis and compatibility courses. See order form, page 3. You would be able to see what anyone is like in their hearts.

RETRAIN YOURSELF

Do you keep getting involved with people who make you unhappy, who do not return the love you give, who make you jealous, who do not listen to you? If you do, you are probably getting involved with these who are not compatible with you. That could be happening because you were not compatible with the ones who trained you in your childhood. You can retrain yourself. Get the Do-It-Yourself Compatibilities. When a new person comes into your life get their birthdate right away. Look to see how you two would relate to one another. You will be able to see where the relationship would be deficient.

Get the birthdates of those you would not normally be attracted to & look them up too. You might find you are avoiding people who are like yourself because you have come to believe that you are not OK so therefore someone who is not like you must be OK.
